

**Swedish Genealogy Research Committee Annual Report - 2020**

Restructuring of plans and activities of the Swedish Genealogy Research committee are temporarily on hold.

We look forward to materials being available on our website, as well as establishing email contact with those researching their Swedish heritage.

If you are experienced in Swedish Genealogy Research, we would appreciate your assistance and opinions of future plans. Please contact Jan or Bev at [swedishamericanhistoricalwisc@gmail.com](mailto:swedishamericanhistoricalwisc@gmail.com)

Respectfully submitted,  
Swedish Genealogy Research Planning Committee
